Government House Historical Society (GHHS) Volunteers and Members

Volunteers and Members are invaluable assets to the Society. Indeed, there would be no GHHS without its volunteers and members. Since inception, volunteers and members have contributed immensely to advancing the Society's goals by ensuring that Government House remains a point of attraction to visitors from around the world and to residents of Saskatchewan. The hard work of all volunteers and members has kept the Society strong and viable.

Benefits for Volunteers and Members

Additional training: All volunteers receive training and instruction in the area they choose to volunteer. Each Committee Chair or representative provides an in depth training for volunteers before they start working with committees of their choice.

Skills Training: If your area of volunteer requires that you go for specific skills training, GHHS will pay for such training. The training might become an asset in your job search in the future.

Gaining self-confidence: Volunteerism enhances your self confidence in your relationship with people and helps you develop skills such as public speaking.

Luncheon: Provincial Capital Commission host an annual volunteer appreciation luncheon to thank GHHS volunteers for their hard work. Volunteers who accumulated 10 volunteer hours in the previous year are eligible to attend this luncheon.

Award: GHHS created the Marge Ewart & Betty Westmoreland award in 1996. All volunteers qualify for nomination for the Marge Ewart & Betty Westmoreland award in recognition of their commitment to the activities of GHHS. Letters of recommendation could also be given to volunteers who are nominated for other awards in the community. See more information on awards under Volunteer Recognition Committee.

Liability Insurance: Volunteers under the age of 80 are eligible for coverage in the event of any injury while volunteering with GHHS.

Meeting new people: Volunteering also opens up opportunity to meet new people.

Quarterly Newsletter: All volunteers and members (including GHHS Junior members) receive The Society Times through which they are informed of past and upcoming events.

Jocko's Friends (GHHS Junior members): For just \$5:00 a year, your child can become a member of Jocko's Friends. Junior members (ages 6-12); Senior members (ages 13-16). Benefits include: invitation to special members' events; a gift bag after five visits to the House in one year.

Membership Fees & additional benefits: The Society encourages all volunteers to consider becoming members. Annual membership fee for adult is \$20, couple \$35, senior (55+) \$15, senior couple (55+) \$25, Student (university) \$10. Upon approval of your membership, in addition to the benefits listed above, you will also receive a \$5 members only coupon to be used towards any regular Victorian Tea; an evening at Government House with the Lieutenant Governor, opportunity to volunteer, etc.

Volunteers' Rights, Responsibilities and Policy

Volunteers have the right to:

- Be given assignments according to their interests and skills
- Be provided with training and materials to do proper jobs
- Be informed about the organization
- Be treated as colleagues
- Be treated with respect
- Be recognized for contributions
- Be consulted about their work

Volunteers have the responsibilities to:

- Record their hours
- Be dependable and loyal
- Be respectful
- Accept supervision
- Participate in training and discussion
- Understand staff and volunteer roles
- Learn about the institution
- Report concerns to committee chair

Volunteer Policy:

- All volunteers signed this document
- In February of each year the Volunteer Coordinator will send a notification to all committee chairs requesting the Code of Ethics be reviewed with their committee members.
- Volunteers will review and sign policy every 3 years.
- **During information sessions, all new volunteers will receive and sign volunteer policy.**

Time commitment: This varies from one committee to the other. For example, volunteering for the Victorian Tea might require about 10 hours every month while volunteering with Jocko's Friends might only require three hours when they have an event. Your level of involvement will determine the total volunteer hours that you will put in each month. However, volunteers are required to work at least 10 hours a year to maintain their status with GHHS.

Recording volunteer hours: Volunteers are encouraged to record hours they spent on any task assigned to them. For volunteer work done at Government House, volunteers are required to sign in when they come and sign out when they leave. There are occasions when volunteers are assigned tasks they work on at home, hours spent on such tasks are recorded by volunteers (ask GHHS Volunteer Coordinator for volunteer hours' record form). These hours are submitted to the Volunteer Coordinator monthly as a record of different activities GHHS volunteers have helped with. The hours show which volunteers met the annual 10 volunteer hours' requirement to maintain their status. Some recognition awards also require a minimum number of volunteer hours to receive or qualify for nomination.

- All names of volunteers who have completed the above processes will be added to the list of volunteers based on areas of interest they indicated.

Committees & Volunteers

- When committees are holding events, request for volunteer form is completed and submitted to the Volunteer Coordinator, who will in turn contact volunteers that will be needed for such events. In situations when committees need extra volunteer help, Committee chairs are to contact volunteers from the list of current volunteers who indicated interest in their committee or contact the Volunteer Coordinator to discuss their volunteer need and how to get more help.
